By offering "tailor-made" Armor Protection kits that use the most advanced, light-weight, battle-proven shielding panels comprised of Polyethylene composites, ceramics and other materials, Rock Wings Ltd. assures your aircrew and aircraft the maximum protection with a minimum weight penalty.

The Armor Protection kits are modular and can thus be easily removed from one aircraft and attached to another similar one thereby facilitating mission requirements. The panels are designed to fit the individual and unique needs of the customer in a cost effective way.

Recommended surfaces for protection kit application are pilot's seats, cockpit floor, passenger's seats, etc.
